

Friday 6-7-74

My Dear Hector;

It was good, kind and thoughtful of you to send the copies of the letters about the radio sale. I'm sorry it's taken so long. Perhaps a bit more time, and patience this should come about soon.

I thank you, thank you, thank you.
And wish you and yours a very peaceful summer, and God bless you.
your devoted old friend and
sister-in-law.
