Gentlemen,

I understand that Oscar I. Phillips of Victoria, Texas has applied for a slot in your Children's Heart Program. I am writing this letter to give him my strongest recommendation.

I have known and his family for more than a decade and I believe he would be an asset to your Program. He is hard-working, very intelligent and I believe he has a great future in the field of medicine. All he needs is an opportunity to demonstrate his ability and willingness to do a job.

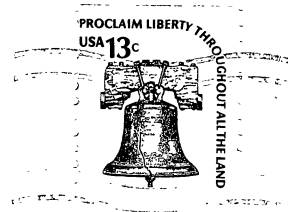

I would consider it a personal favor if you would give him every consideration for a place in your Program.
