Dear Sir;

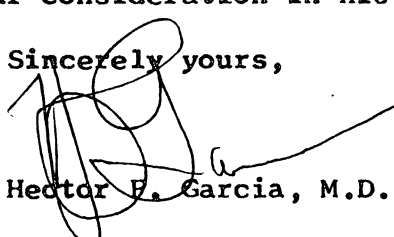

I understand that Mr. Freddy Vallejo has applied for admission to your University, the medical school. I am very glad to hear that Freddy has applied.

I am very happy to highly recommend Freddy. I have known him and all his family who live in Corpus Christi for many years. I have been their family physician and a close friend also. I have seen Freddy gradually advance his educational career.

Freddy served with the military as an officer having graduated from OCS. Freddy has proven to be a good son, a good student and a good citizen. I am proud to have seen Freddy's determination and ambition prevail in continuing and advancing his education.

He is a reliable, correct, and responsible young man. He comes from a fine family and I believe that he is highly qualified. I certainly appreciate your consideration in his behalf.

Sincerely yours,

Hector P. Garcia, M.D.
