Dear Dr. Garcia:

I'm sorry I missed your visit to my office on Friday, March 23rd. However, I appreciated receiving your letter expressing your support for the passage of H.B. 227 by Representative Moreno, relating to the rights of collective bargaining by agricultural employees.

As a member of the Agriculture and Livestock Committee to which the bill has been referred, I am presently undecided as to my position on the matter. For this reason, I have signed a written request to the chairman of the committee asking that a hearing be held for the purpose of obtaining more information on the bill.

Your views are very much appreciated and please be assured of my fullest consideration of H.B. 227.

Yours truly,

Tom Martin
