Dr. Hector Garcia
1315 Bright
Corpus Christi, Texas 78405

Dear Dr. Garcia:

I would like to extend an invitation to you to appear on the Que Pasa show the next time you are in Dallas. Our usual studio day is Thursday, but if I know in advance when you plan to be in town I can schedule additional studio time.

I think the public would be most interested in hearing what the founder of the GI Forum has to say.

Cordially,

Diana Navarrete
