Re. Telephone Call Odtober 2, 1961 Dear Sir. This is in regard to a person whom I feel we should go all out for as far as help is concerned. This persons name is Mr. Saul O. Paredes, 2302 Campbell Street, El Paso, Texas, who now holds the position of Superintendent of Main Window in the post office in El Paso. He has been an employee of this post office for 42 years, hasthe most seniority, and is the best qualified man eligible for Post Master, a position for which he passed a promotional examination with the highest score in 1954. Up to this dat e he has not even gotten in as an assistant. This position is vacant at present due to the resignation of the former Post Master, and the time is right for us to start sending telegrams, and making calls to our congressmen and senators, President Kennedy, Vice President L. Johnson and the Postmaster General. This is a copy of a wire which I have already sent to President Kennedy and Vice President Johnson. Act on this as promptly as possible. RECOMMEND SAUL O. PAREDES DEMOCRAT EL PASO 42 YEARS POSTAL SERVICE FOR POST MASTER. POSITION NOW VACANT. QUALIFIED TOP IN PROMOTIONAL EXAMINATION. - RAUL MORIN, REGIONAL AREA DIRECTOR AMERICAN GI FORUM OF W.S. 1280 CREST VISTA DRIVE MONTEREY PARK nath officers W. Reg. State officer With best wishes.
