Dear Dr. Garcia:

I noticed that you were present at the presentation of the Silver Star Medal and the Bronze Star Medal posthumously awarded to SSG Jesus Gonzalez.

Therefore I thought that you might be interested in prints of the photographs taken. Prints have been sent to the widow and family.

Also inclosed is a copy of a clipping that appeared in the paper here in town.

Sincerely yours,

A handwritten signature in cursive script that reads "Harris H. Yates".

Adjutant
