Dear Dr. Garcia,

It was great to hear that you are doing better now. I spoke with my parents yesterday and they informed me that you are recuperating. I can only pray that you have a speedy recovery.

I also wanted to thank you for the fine recommendation you mailed to Sarah Weddington on my behalf for the White House Internship Program. As it turns out I am in Washington, D.C. working for the Democratic National Committee (DNC) in the Hispanic Affairs Division. My primary function is to work as a liaison between national Hispanic organizations and the DNC. We are presently gearing up for the Democratic National Convention in New York City August 11th-14th. We are working to insure that Hispanics have equal representation at the convention. It is a tremendous task but one I find thoroughly enjoyable.

If there is anything I can do please do not hesitate to let me know. Once again thank you so much for the recommendation and I wish you the very best of health.

Sincerely,

Ralph Rodriguez
