Dear Dr. Garcia:

This is to advise you that my good friend, Ray Villa, who is director of the Arrangement Committee for the National LULAC Convention, which will take place July 4, 5, 6, and 7, 1963, at the Charter House Hotel, Anaheim, California, has requested that I contact you to see if you will use your influence in asking our President, John F. Kennedy, to honor them as keynote speaker at their banquet at the Disneyland Hotel in the Embassy Room on July 6, 1963, at 9 P. M.

I would greatly appreciate any assistance that you could give this fine group in this effort.

I would also like to advise you that at our last meeting, I was re-elected Chairman of P A S O, Santa Ana, Orange County, and I would appreciate it very much if you could give me any information regarding the standing of national P A S O at the present time and if it is going to be maintained as an active organization. I request this information, Dr. Garcia, as we have not heard one way or another.

Thanking you, I remain

Sincerely yours,

John G. Lozano

Dear Dr. Garcia:

I must thank you again most sincerely for your appearance at our convention. Your being there was not only a personal satisfaction to me, but lent an impressive show of unity which we so much need in these times.

At our convention, a young man whom I know was fortunate enough to be offered a consideration with the Interagency Committee on Mexican-Americans under Mr. Vicente Ximenez. The post would be one as a Public Relations man, one which I know him to be capable of handling.

I am enclosing a copy of the letter I wrote to Mr. Ximenez and a resume of his experience for your review. I share the aspirations of this young man who wants sincerely to do a job for which he is so capablely trained. I would urge you to write a word or two recommending Mr. Nick Reyes for this position.

I would be more than happy to answer any questions you might have. Again, thank you for the opportunity of having shared your time with us at the convention. I am most grateful.

Truly yours,

Roy Elizondo
