Dear Dr. Garcia:

Just a note to say what a pleasure it was to see you again on the occasion of the Kleburg County Democratic dinner in Kingsville on Thursday, October 7, 1965.

I was impressed with the enthusiasm of the good Democrats who were present, and I believe this was one of the best dinners I have attended recently. It is always a pleasure to visit with good friends on these occasions, and I appreciate very much the willingness of Corpus Christi people to cooperate in making this a really successful evening.

Thank you for your part in a most memorable evening in Kingsville.

Sincerely yours,

Ralph W. Yarborough
