Pardon & pay

Santa Gertrudis Oct 20th 1885

Dear Sir—

Your favor announcing the arrival of my pardon in Corpus Chas was handed to me at San Diego—this is the first opportunity I have to reply—

I am glad to receive the pardon—although late—and willing to pay—

My family has concluded to stay in Corpus & therefore the 8 acres lot, being the homestead—cannot be disposed of—

There is other property in Corpus which you can have at the value of the assessment roll of yours—handed me in Matamoros— The property is worth much more now, but as I told you I would value it as on the assessment roll, I will do so now—or pay in money—

Yours very truly
Felix A. Plucher
