Hector P. Garcia, M.D., Founder  
American GI Forum of the U.S.  
3024 Morgan Avenue  
Corpus Christi, Texas

Dear Doctor Hector:

I hope you will condone the liberty I have taken with your name, and that you will approve of the attached.

I shall be leaving for Torreon on the 1st of February for the civil wedding ceremony, which is required in order that Maria Elena might get her passport and later her American visa.

Write me at your convenience.

Sincerely,

A handwritten signature in dark ink, appearing to be "Teodoro R. Estrada".

Teodoro R. Estrada
