

A
Birthday
Prayer

Dr. Garcia
A special note to wish
you lots of happiness today
and to tell you,
you're remembered in a very special way!
God bless you for making
our whole world brighter
by your friendship.

We love you,

Dr. Hector P. Garcia

This brings a very
earnest prayer
That God will keep you
in His care,
And fill your Birthday
with the Cheer
He grants to those
He holds most dear!

Happy birthday and
many more.

Christina
