Dr. Hector P. Garcia, Commissioner
Civil Rights Commission

Dear Dr. Garcia:

I certainly appreciated the superb testimony you presented before the Migratory Labor Subcommittee on August 8, 1969.

The information you presented regarding discriminatory treatment of Mexican Americans was excellent. It contributed a great deal to strengthening the hearing record of the Subcommittee in our efforts to understand the powerlessness of these deprived and dispossessed Americans.

I have a deep interest in the investigatory activities of the Civil Rights Commission and would appreciate very much being kept informed of your progress in this area.

With warmest personal regards.

Sincerely,

Walter F. Mondale
