To Pay Honor
To Col. Jones**

The American GI Forum will honor Col. Luther G. Jones Jr., ARADMAC commander, at an equal opportunity banquet at 7:30 p.m. Friday in the Del Mar Technical Institute cafeteria.

The Forum will present Jones a plaque and a copy of a resolution passed at the national convention last month in Flint, Mich., commending Jones for conducting a model equal opportunity program at a federal installation.

"We feel he has done a wonderful job at ARADMAC," Dr. Hector Garcia, founder of the Forum, said.

Tickets to the banquet are \$2.25 each and can be obtained at Garcia's office, 1315 Bright. The deadline for buying tickets is Wednesday. None will be sold at the door, a spokesman said.
