Dear Hector:

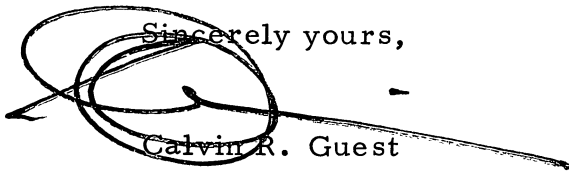

Many thanks for the book by Raul Morin. I am looking forward to reading about the valiant work of the Mexican-American soldiers.

It was indeed my pleasure to be with you on your recent visit to the Governor's office. I count you, along with your sister, Dr. Clotilde, and daughter, Susana, as close friends.

I need your help in formulating ideas on how, through the Democratic Party, to make the Mexican-Americans feel that they are an integral part of the Party and that they want to elect good Democratic candidates. I will come to Corpus to visit you or meet you in Austin at your convenience.

I appreciate your agreeing to help me in reelecting our Governor in 1974. He is a great man and a great asset for our state, and we need him for another term.

Sincerely yours,

Calvin R. Guest
