Dear Dr. Garcia,

Congratulations on receiving the NCLR leadership award. No one could be more deserving. You continue to be a role model for all of us. Thank you for continuing to work as hard as you do.

Please do not be concerned about my not being appointed to the Texas Medical Board, I realize that things like that are difficult to do when I am not a political party supporter. I try very hard to stay independent, and perhaps this is not seen well in either party.

Again, looking forward to your continuing leadership.

Affectionately,
