Dear Dr. Hector:

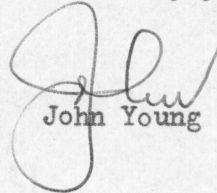

Your letter of October 31 was waiting for me in my office upon my return from a necessary trip to Washington on District Business.

I, too, regret that to date your sister-in-law Mrs. Yolanda Garcia has not received the employment she desires. I know I do not need to assure you that I have done, and shall continue to do all that I can to be of assistance to her. It is very difficult for me to take "no" for an answer, and she will receive the desired employment if effort on my part can get it for her.

I shall continue to keep you advised of action taken in the matter.

With kindest personal regards, I am

Sincerely yours,

John Young
