Dear Dr. Garcia:

Thank you for the information you sent me concerning your views on higher education in South Texas. I support Senate Bill 122 and House Bill 358.

As a former educator, I am very concerned and interested in each individual's right to pursue an education. I intend to do what I can to ensure that residents in South Texas have this right.

If I can be of further service in the future, please do not hesitate to contact my office.

Sincerely,
