Dear Dr. Garcia,

I hope you remember our conversation several months ago concerning the establishment of the Mexican-American Library Collection. As you may know, the project was approved. I would like to thank you for your valuable assistance in this matter.

You indicated earlier that you might consider leaving your papers to the library as a testament to your accomplishments in national civic matters. If you should decide to go ahead with this, it would be a tremendous asset to us since it would encourage other individuals to donate their personal collections. The M.A.L.C. needs the support of people like yourself to make this the best collection of Mexican-American materials in the world.

I hope to go to Corpus Christi soon to make the proper arrangements with you. Please let me know when it would be convenient for you to meet with me.

If I can ever be of service to you or your family, please do not hesitate to call on me.

Sincerely,

Angie del Cueto Quiros
