Dear Dr. Garcia:

In behalf of the Robstown High School "Big Red" Band, we would like to express our sincere appreciation to you and State Representative Hugo Berlanga, for affording our band the outstanding honor of playing for the Vice President of the United States, Walter F. Mondale, upon his arrival at the Naval Air Station in Corpus Christi this past Saturday. Not only was this an honor to our band but to our community as well. Words can never express what this event has meant in our lives.

Dr. Garcia, I would like to add a personal thank you for all of the courtesy you gave to me this past week in explaining procedures, locations and in fulfilling requirements of the Secret Service in this performance. I also appreciated our conversation together on the way to the radio interview over KUNO. Also, thank you for taking an interest in our band through your contact with the Corpus Christi Caller-Times.

If ever we may be of further assistance to our state or national government, in this manner, please feel free to call upon us. We do deeply appreciate your interest and continued support of our schools and community.

Sincerely yours,  
*Eugene E. Rhemann*
