Dear Dr. & Mrs. Hector P. Garcia:

On September 17, 1968 and by Joint Resolution, the U.S. Congress authorized and requested the President of the United States to issue annually a proclamation designating the week which includes the 15th and 16th day of September as National Heritage Week. This National Heritage Week is celebrated in all the United States installations over all the world.

In Corpus Christi, this year it will be celebrated under the theme: "Hispanic Americans - A Part of American Excellence".

In occasion of the visit for training at the Corpus Christi Army Depot of Spanish Army members lead by Capitan Luis Diez Hernandez, this Vice-Consulate is proud to participate in this celebration of the "National Heritage Week 1984."

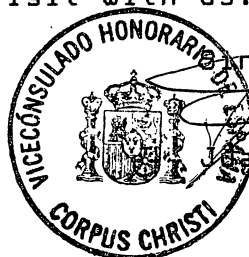

It is for this reason that I request the honor of your presence at the Flower's Wreath ceremony in honor of all the hispanic militars and civilians that have died in defense and for the glory of their country.

The ceremony will be held at the Plaza de Pineda (Junction of Laredo and Agnes St.) in Corpus Christi, Texas on Sunday, September 9, 1984 at 2:00 p.m. On occasion of this ceremony, the Westside Business Association will place the plaque for the Captain Alonso Alvarez de Pineda spanish discoverer of the Corpus Christi Bay in the year of 1519.

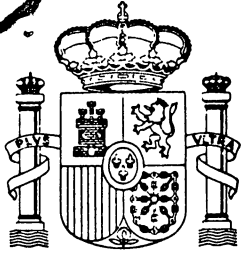

Afterwards, at 4:00 p.m., a reception will be held in Room 203B in the Bayfront Plaza Convention Center in which we are hoping you can visit with us.

Sincerely yours,

Juan J. Gussoni
