Dear Mr. Garcia:

It was a great honor to meet the founder of the American G.I. Forum.

As I mentioned to you at the State Convention of the Michigan G.I. Forum, I have recently completed a documentation of the migrant problems in Michigan. I am enclosing this documentation for your reading. I am sure it will point out some of the severe problems of the Latin Americans in Michigan which are similar to all Latin Americans in this country.

The Latin Americans in Michigan and in the Midwest are quite concerned about their invisibility in the Latin American movement in this country.

We hope that such documentations as the migrant problems will help to refocus the move to all Latin Americans.

Sincerely yours,

Roy O. Fuentes
