Subject: Medical Society Directory for 1976

Dear Doctor:

Attached is your listing as it appeared in the 1975 directory.

Would you please make any corrections necessary and return it to the Medical Society office by November 15, 1975?

Please make corrections directly on the directory listing and be sure that changes are legible because these corrections will be sent directly to the printer. New pictures may be submitted if you wish.

Please do not list telephone numbers which you would not want to go to hospitals, etc. such as unlisted home phone numbers, since the directories are distributed to others besides members of the Society.

We hope that this method of correcting the directory will help keep down mistakes. If you do not return your listing we will reprint it as it was listed in 1975.

Thank you for your prompt attention.

Sincerely,

JEAN OLIVER
Executive Secretary
