Dear Dr. Garcia,

Thank you so much for the time we spent discussing our crisis in public education in South Texas, in America. I have taken the autographed "English Only" poster to be framed and will hang it next to the Texas Navy Commission from Gov. White. It was my special privilege to see you again. Please call when I can help.

"Todos los niños de Dios"

Siempre tu amigo,
Lori

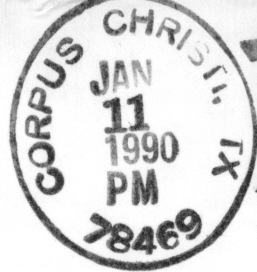

Dr. Garcia,

I am the Child.
You hold in your hand my destiny.
You determine, largely, whether
I succeed or fail.
Give me, I pray you, those things
that make for happiness.
Train me, I beg you, that I may be
a blessing to the world.
