Dr. Ladislao Lopez
Kansas City, Kansas

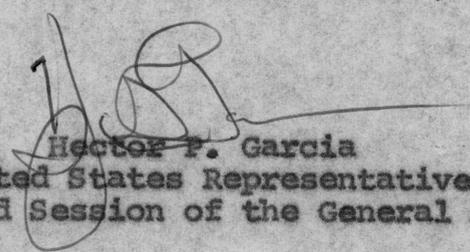

Dear Dr. Lopez:

I hope that you and your family are in the best of health.

For your information only, I am enclosing a copy of the letter sent to me by Congressman Larry Winn, Jr., who evidently seems to be a very nice person. My work here as Alternate Representative of the United States to the General Assembly is very interesting and challenging and I am very happy to be here.

Keep up the good work and let me hear from you and how our group is doing there.

Sincerely yours,

Hector P. Garcia
United States Representative to the
22nd Session of the General Assembly

Enclosure:

Letter from Congressman
Larry Winn, Jr., dated
