Mrs. Rebeca Reyna
3044 Reyna St.
Corpus Christi, Texas

Dear Mrs. Reyna:

This is to acknowledge receipt of your recent letter concerning your son, Mr. Adolfo de Jesus, Jr.

Your son is in satisfactory physical condition. Mentally he is confused and suspicious. He has to be encouraged to take an interest in the hospital activities. He is inclined to be seclusive and not to associate with others. His appetite is satisfactory and he is able to rest at night. He is scheduled to receive a course of special treatment (electroshock) and it is believed that this treatment will be of much benefit to him.

Please be assured of our continued interest in the health and welfare of yours son.

Very truly yours,

WALTER L. FORD, M.D.
