Ref: Jorge Luis Molina

I would like to recommend Jorge Luis Molina
to " Becas Para Aztlan" Program.

Mr. Molina is a very nice and responsible young
man. He has worked as physicaian assistant in
Zapata, Texas. Here in Corpus Christi, he has
worked for several doctors and they all think
very highly of him and of his work.

Es muy bueno y quiere mucho a nuestra gente.
Se lo recomendo de todo corazon.

Sinceramente,

Hector P. Garcia, M.D.
