Mr. Freddie Castillo
Region VI Coordinator
Manpower Education & Training
710 Brook Avenue
Wichita Falls, TX 76301

Dear Mr. Castillo:

I welcome you as a member of the Wichita Falls Board of Commerce & Industry.

Like you, Freddie, I am a businessman who has a vested interest in the future of our city. As President of the Board of Commerce & Industry, I have seen membership money used to create economic development and a better life style.

Your membership in the BCI is a real investment! During the past 7 years, several industries have located in our community which has and will benefit all of us. We were fortunate to get them because we have people, like you, willing to invest money for progress.

You are now a member of an aggressive organization which is dedicated to making Wichita Falls the best possible place to live. I solicit your ideas, energy, and resources to help with the tasks we must face.

Sincerely,

A handwritten signature in cursive script that reads "Harold Jones".

Harold Jones
President
Board of Commerce & Industry
