Dr Hector —

Although I've never voted Republican I was appointed to the Texas Higher Education Coordinating Bd, by 4 Democratic Governors, Connally, Smith, Biscoe and White & still receive at the office the mailings on the Coordinating Bd and, among them was this from the Medical Center at Dallas.

Am delighted that they have recognized great talents and have called on you for the commencement address in Dallas this July.

Wish I were there to hear it.

Sincerely,

Harvey
