

CHIEF OF NAVAL AIR TRAINING

27 May 1977

Dear Dr. Garcia,

I would like to personally extend a cordial invitation to you to attend a Military Affairs Breakfast on Friday, 10 June 1977 at 7:00.

The guest speaker for this occasion will be Admiral James L. Holloway III, Chief of Naval Operations, now in his third year as the highest ranking officer in the Navy. Admiral Holloway brings with him over 34 years experience as a naval officer. As an Ensign he participated in the last major engagement between two surface fleets while aboard the USS BENNION (DD-662). He is also the first nuclear-power trained officer to rise to the Navy's top uniformed position. I am certain you will enjoy and profit from hearing him speak on issues of interest to all of us here in Corpus Christi.

The breakfast will be held in the Enlisted Dining Hall, Building 1260 on Avenue E, Naval Air Station, Corpus Christi. A fee of eighty cents will be charged for the breakfast.

I look forward to seeing you on June 10th.

It would be greatly appreciated if you would notify my Public Affairs Office (telephone 939-3666) by June 7th of your intentions.

Most sincerely,

B. H. SHEPHERD

Rear Admiral, U. S. Navy
