Dear Dr. Hector:

As the Ninety-Fifth Congress comes to a close, and with it my 22 year tenure in Congress, I want to express again to you my deep appreciation for your kind thoughtfulness and support over the years. Service in Congress is a great privilege, and I am indeed proud to have been a part of it. Much has been accomplished for our District, but there is still much to be done; and I would hope in this regard you would extend to the incumbency the same constructive support you have extended to my administration.

Chronicling the many happy advantages of high public office would be exhaustive, but none would exceed the pleasure of the close and cherished friendships which are made along the way. The vicissitudes of public life do not always permit all to be in accord on all issues and actions or even elections, but I have confidence that if such differences have existed they will not detract from the mutual respect and esteem that has developed over the years. I look forward to returning to the practice of law where advocacy is single purposed and free of the need to represent and balance conflicting interests.

After a sea-going career in the United States Navy and a legal/legislative career in the United States Government, I will be returning again to my first profession, the practice of law. I intend to specialize as an attorney and consultant in general Federal Practice, including the field of Admiralty and Maritime Law. I am being engaged by clients in Washington and Texas, and I will have offices in Washington D. C. and Corpus Christi, Texas. Appropriate formal professional announcements will be made at the proper time.

Pursuant to established procedure, my Congressional office in Washington will be vacated December 15th. After that date and into the month of January, I can be reached at the following address:

John Andrew Young  
Attorney-at-Law  
1705 N. Albemarle  
McLean, Va. 22101

Telephones:  
Area Code 703  
536 8995  
536 1692

I look forward with keen expectation to my seeing you here in Washington or at home in Texas in the near future. In the meantime, if I can be of any service to you, please do not hesitate to call on me.

With kind personal regards and best wishes for a most enjoyable Christmas together with a happy and prosperous New Year, I remain,

Sincerely yours,

John Young

*Many thanks  
for all your  
wonderful  
friendships  
over all these  
years*

Dear Dr. Hector:

Upon receipt of your letter concerning Robert Delgado's efforts to retain Corpus Christi Naval Air Station as his duty station since he is due to be discharged in December, I contacted proper officials in the Department of the Navy to express my interest in his behalf.

In the meantime I would appreciate your requesting Mr. Delgado to provide me with a note advising me whether he has made formal application for retainment at the Naval Air Station. You may be assured of my continuing interest in this matter, and as soon as I receive any information I will advise you.

With kindest regards, I am

Sincerely yours,

  
John Young
