Dear Doctor Garcia

Late last night we passed H R 7819, the Elementary and Secondary Education Amendments of 1967. Prior to passage, however, numerous changes were made.

The procedure was so involved and the debate so protracted that it is difficult to summarize the contents of the bill as passed, but if there are questions you wish answered, I'll be happy to hear from you. Right at the moment, copies of the bill as amended are not available.

The bill will now go to the Senate and as there are further developments, I'll do my best to keep you advised.

With kindest regards, I am

Sincerely

E (Kika) de la Garza, M C
