Dear Dr. Garcia:

We understand that Dr. George L. Wilber, University of Kentucky, sent you copies of two reports from a research project he conducted for this office.

The reports are respectively entitled, "Spanish Americans and Indians in the Labor Market," Volume I and "Orientals in the American Labor Market," Volume II.

We would be grateful if you would assist us in reviewing the reports and giving us the benefit of your reactions. We would also be interested in any suggestions you have concerning: (1) further analysis and interpretation of the data and (2) dissemination of the report.

Would you please send any comments you may have at your earliest convenience to Joseph Epstein, Chief, Division of Research Methods and Services, Office of Research and Development, 601 D Street, N. W., Room 9028, Washington, D. C. 20213, Attention: Diane Edwards.

Thank you for your cooperation.

Sincerely,

A handwritten signature in dark ink, appearing to read "Howard Rosen", is written over the typed name.
