Dear Mr. Goldsmith:

I am sending this correspondence in reference to the District 14 Equal Employment Opportunity Committee which covers twenty-five Southeast Texas counties including Jefferson. Will you please compile for this office, of which I am chairman, a list of Mexican Americans employed by your firm since October 1, 1969, naming position held and noting those still employed.

Your prompt attention to this matter will be most appreciated. Thank you, kindly, for your cooperation.

Sincerely yours for a stronger and
better educated America,
