Dear Jim;

First, Dr. Cleo, Dr. Xico and Attorney Canales, Attorney Garza and Attorney Amador Garcia send you their regards. We are proud of the work that you are doing.

I am sending you some material and information that you may find interesting in relation to your Cisneros Case. As you can see, the opposition still continues to fight a losing fight.

I am enclosing a copy of a Chronological Report I made in Spanish to keep our Spanish speaking parents informed. It was very much work but it was worth it. I am sending you a couple so you can give Chris one of them.

In compiling the information, I noticed that on or about August or September 1973 Plaintiffs filed motions for further relief designated as Plaintiffs Post Appeals Motions Numbers 2 & 3.

As you know, I am keeping a historical file of the case and I do not have copies of those two motions. I would be very grateful to you if you could send me a copy of motions numbers 2 & 3.

Again good luck to you and keep me posted. Tell Chris, hello.

Tu amigo,

Hector
