Dear Dr. Garcia:

On March 5, I introduced a bill calling for the creation of a Texas Human Relations Commission. House Bill No. 694 calls for nine commissioners appointed by the Governor with the task of preventing and eliminating discrimination on the basis of race, color, religion, national origin, age or sex.

Because of your continued interest in the area of Civil Rights, I would appreciate it if you would be kind enough to testify on behalf of this bill before the House State Affairs Committee.

A hearing date has not been set, but we will notify you in time of the date as soon as it is set. Meanwhile, I will appreciate any comments you might have on this bill.

Sincerely yours,

Carlos F. Truan
State Representative

of this bill with me.*
