Dear Dr. Hector:

Please accept my sincere appreciation for your interest and assistance on SB 195, the bilingual education bill.

Because of people like you and your organization's efforts, we were successful in getting SB 195 passed out of the Senate today, May 4th. Your continued interest and support in the House of Representatives is definitely needed in order to get SB 195 passed before the 28th of May.

Again, thank you and whenever I can be of assistance to you, just let me know.

Sincerely,

Carlos F. Truan
