Dear Doc:

I am very sorry that your letter of November 7th was not acknowledged before this.

Somehow, due to the tremendous amount of mail that I have received from all over the country, it was lost in the shuffle. Please forgive me.

As of right now, I cannot say definitely when I am going to Washington. However, I know that sometime in December I am going to have to make a quick trip there.

At any rate, I will try to see you before leaving definitely.

With best personal regards, I remain

Henry B. Gorzalez
