Mr. Ed Idar, Jr.
223 South 17th Street
McAllen, Texas

Dear Mr. Idar:

Thank you very much for your letter of July 15 and the accompanying Resolutions passed by the Convention of the American GI Forum of Texas. I am sincerely appreciative for the kind words of praise expressed in Resolution No. 13. I hope that you will relay my feelings to other members and officers of the GI Forum.

It was certainly a privilege to be in attendance at the banquet, at which time you paid tribute to His Excellency. In my opinion he is truly a remarkable man.

I will continue to work for those principles of decency and justice that we support so long as I am in the Legislature. I will continue to work especially for a Minimum Wage Law.

Thanks again.

Sincerely

WWK:eba
