My dear Friend:

I was glad to get in touch with the Department of the Army about the desire of Mr. Adolfo de Jesus Reyna for a change in his Army discharge. Attached is a communication I have received from Lt. Colonel Edward N. Hathaway outlining the procedure he should follow in order to have his application fully and properly considered.

It is my suggestion that when he has completed the enclosed application form and submitted it to the Army people that you or he let me know. I will then be delighted to follow through on it in an effort to be of all the help I can in connection with his problem.

With continued good wishes, I am

Sincerely,

Lyndon B. Johnson
