Dear Hector:

I wanted to take the time to contact you relative to my recent appointment to the Texas Employment Commission.

As you know by now, I was unable to nominate your excellent recommendation of Rudy Flores. This should in no way reflect upon the outstanding qualifications of your nominee, and I assure you that it was an extremely difficult decision to make.

I want you to know that your advice and recommendations will always be welcome and I sincerely hope that I can continue to count on you in the months and years ahead.

Sincerely,

Dolph Briscoe
Governor of Texas

Our warmest wishes for a
joyous holiday season
