Dear ~~Mr. Garcia~~ Doctor -

This Christmas has a lot more joy in it for 32 million Americans than it would have had if you had not worked so diligently and pushed so hard to save the War on Poverty.

Without your help, your personal commitment and dedication, this would not have been possible. Without your leadership the splendid cooperation we received from the Mexican-American community would not have been possible.

Thank you for all that you have done; and may you enjoy God's richest blessings at this Christmas Season and in The New Year.

Sincerely,

Sargent Shriver

You were very helpful.
