Dear Dr. Garcia:

During the past two (2) years we have accepted referrals from your office for Title V participants. I have been notified by our State Office that due to the shortage of funds we will not be able to accept new referrals until further notice. This will be May 1 or July 1, 1968. We will continue helping the trainees that are in training at the present.

I would like to take the opportunity at this time to thank you for working with us during this period. We received a number of referrals from you and I am sure the people benefited from the training as some of them are now employed with a new skill.

Sincerely yours,

Homer R. Gonzalez
