Mr. Harlon B. Carter
District Director Immigration & Naturalization Service
U.S. Post Office Building
San Antonio, Texas.

Dear Mr. Carter.

On Oct. 7, 1957 I called your office in San Antonio pertaining to Felipe Gomez Ortiz's case. Mr. Eric advised that I see the local office. I contacted Mr. Roddy in the local office. I am sending you the copy and original letter that I presented to him.

Mr Roddy in reviewing the case offered the opinion that he believed that Ortiz had not gotten a bad record in this case. Mr Roddy was very helpful to Mrs. Ortiz who accompanied me there.

I am enclosing a copy of the contract and also a copy of the list of plaintiffs against Leoncio Guerra.

I feel that Mr. and Mrs. Ortiz will be able to meet all of the requirements that will permit him to enter the U.S. as a permanent resident.

I hope that you will forgive me for imposing on you and your Department, however, I felt that you would like to get all of the facts in this case. Incidentally Mr. Guerra never paid back all of the money that he owed the Braceros.

Thanking you for your cooperation and help, I remain

Respectfully Yours,

Hector P. Garcia M.D.
