Hector Garcia, M.D. 1315 Bright Street Corpus Christi, Texas 78405

Dear Dr. Hector:

I want to acknowledge and thank you for your recent correspondence expressing your appreciation for our efforts on the Naval Air Station and the Army Depot, and advising me of your opposition to H.R. 9030, the Welfare Reform Act.

I have today contacted the House Ways and Means Committee, Subcommittee on Welfare Reform giving them your views in opposition to amendments on the food stamp program and have been advised by committee spokesmen that hearings on this matter have been held. I have been glad to know your views on H.R. 9030 and want to assure you that I will be mindful of your opposition to this proposal should it come before the House of Representatives for consideration.

With warm personal regards, I am'

Sincerely yours,

John Young
