Dear Dr. Garcia:

Thank you very much for your telegram signed by you and a number of other citizens concerning your support for a constitutional provision pertaining to equal educational opportunity.

I sincerely appreciate your taking the time to express your concern about this important matter. Your interest in the work of the Convention is most encouraging.

As you may be aware, the Constitutional Convention has adopted a section in the Education Article which provides for equal educational opportunity. This provision has been passed by the Convention both on second and third readings. Thus, it is unlikely that the Convention Delegates would choose to delete or alter this section at this late date. I understand your concern about this matter, and you can be assured that your recommendations and comments will receive the full attention of the delegates to the Convention.

Please convey my sincere thanks to each of those who signed the telegram with you, and if I can be of any further assistance, please feel free to call on me.

Sincerely,

Price Daniel, Jr.
