Dear Dr. Garcia:

It was a great pleasure meeting you at the legislative hearing Tuesday of this week. Before I moved to Corpus Christi, I had heard of and had admired your efforts in behalf of our fellow Americans and I have since heard nothing but compliments for you and your work from Jimmy DeAnda, Bill Edwards and Carlos Truan.

I agreed wholeheartedly with your comments addressed to the committee and particularly your views on garnishment and common law mariages. I was shocked when I heard Justice of the Peace Flores' statements. I support your efforts to have the California judge removed from office. I have read the transcript containing his comments and have nothing but contempt for such a man.

If there is ever any way that you feel that I can be of benefit to you or your cause, please do not hesitate to call on me.

Very truly yours,

  
Stonewall Van Wie, III
