Dear Dr. Hector:

I am sorry you were unable to be at the reception for Billy Clayton but I know you have a busy schedule and that you cannot possibly attend everything to which you receive an invitation.

We had an opportunity to sit down and discuss the needs of South Texas, including those of A & I and the Port of Corpus Christi. It was very educational for Mr. Clayton and I believe he will work toward our major goals as he is quite excited about the facts that he received.

Since becoming Speaker of the House is an expensive process, we took time during the reception to raise some funds to defray a portion of these expenses. If you feel that you would like to participate, I am certain that Mr. Clayton would be most appreciative. Most of the contributions were between \$200 and \$500 but whatever participation you would like to have would be most welcome. A personal check should be made out to "Billy Clayton For Speaker" and sent to me at the address below. I will certainly see that he receives your contribution.

At any time I will always welcome your suggestions, ideas or thoughts concerning any area of legislation for the betterment of South Texas.

Again, many thanks.

Cordially yours,

Michael D. McKinnon
