Mr. Ed Terrones  
Washington, D. C.

Dear Mr. Terrones:

The situation here in Bishop is still the same--  
we are still waiting. Mr. Williams from the Regional Office  
in Dallas was here to see us on December 29 but we don't  
know anything as yet, as to what he decided.

I am sending you a list of <sup>James</sup> letters that were mailed  
today to Mr. O'Brien from people who want mail delivery by  
foot carrier to our side of town as is done on the East All-  
Anglo side. Last month about 50 letters were mailed to the  
Bishop Post Office and now different people decided to write  
to Mr. O'Brien. I am sending this letter by Air-Mail so that  
you will get it just before the others arrive. I have a feel-  
ing that you can help us. I hope so.

Thanks a million.

Mrs. Humberto S. Gonzalez

PS I am sure you remember about my husband the mail-  
carrier here in Bishop
